Established in 1975, Ali Brothers Textile is a leading name in towel and terry towel manufacturing, supplying and export. It has come to be associated with the leading manufacturers of towels. For over a decade, Ali Brothers stood for the best & the finest Clients, the world over, affirm and solicit its products. An achievement made possible through our dedication, determination, and commitment to produce nothing but the very best. Our uncompromising stand on consistent quality, continuous research and development, growth, and customer service has enabled us to become the premier textile manufacturer in our region.

Ali Brothers products speak expressively for their quality. From the glorious designing traditions to the soft, bright touch of spring, we cater to the ever-changing vogue.

Having served customers in the Americas, Europe, Middle East, Central Asia and Far East we have the requisite experience and feel of the customers around the world. Acquisition of latest technology coupled with stringent quality control measures has given us an edge that reflects in our quality and the portfolio of satisfied customers.

Our mission is to develop innovative textile made-ups and satisfies our customers. To accomplish this goal, we use a customer-centric approach - listening to our customers and anticipating their needs.

" No Compromise on Quality.Best Quality & on time delivery with Entire Satisfaction of Buyers is the Aim of our Management."
